PALM SPRINGS

Gorgeously manicured but not overly fussy. Seclusion, naturally. That's our new-fashioned desert hideaway tucked into the design scene of old downtown Palm Springs. At the iconic Avalon Hotel & Bungalows Palm Springs, the eclectic range of 70 Spanish-style lodgings, including 13 private villas, follow in storied Hollywood footsteps with deep residential comforts and three pools. Spend a sunny afternoon lounging poolside and then cozy up by our fire pits as the sun sets over the San Jacinto Mountains – step inside and embrace the magic of Avalon.

STEP INSIDE AND EMBRACE THE MAGIC OF AVALON.

avalon hotel

HISTORY

A quick trip from L.A., Palm Springs was truly born as a weekend getaway for industry players and Hollywood stars when a “two-hour rule” kept contract actors on a very short leash. Built in 1929 by Frank Pershing amid an enclave of pink grapefruit, ficus, and palm trees, the original Estrella Motor Inn became an iconic part of this first golden age (along with the lounge acts at the neighboring Chi Chi Club). Red-carpet entry to the bungalows was common for faces like Joan Crawford, Clark Gable, Marilyn Monroe, and Errol Flynn. (Crawford famously demanded French bread and 7 packs of cigarettes in hers.)

ROOMS & BUNGALOWS

Over the years, Avalon’s Spanish studios, suites, and bungalows have been a Golden Age playground for Hollywood’s famous (infamous, too). Surrounded by four acres of citrus trees, manicured gardens, and secluded swimming pools, the naturally private layout makes it easy for everyone to unwind. Step inside timeless Spanish design for a private oasis away from it all – complete with scenic terraces, indoor-outdoor layouts, and mountain views. Well-considered appointments include luxury amenities and custom terry robes.

EAT & DRINK

There’s something to be said for a go-to destination where ordering your “usual” gets a nod of recognition. The Chi Chi restaurant’s fresh, balanced California menu matches your desert mood, be it health or indulgence or somewhere in between, served from our dining room or outside by the pool.

AMENITIES & SERVICES

Imagine days of play where you never want to leave: Wander the gardens, relax by one of three pools; sip a coconut water cocktail; nap on a pillow-piled sun mattress. Engage some healthy competition with table tennis on the lawn. The backdrop to this low-key life of leisure is the epic mountain view; the soundtrack, trickling fountains and chirping birds. Downtown Palm Springs could be two hundred miles away...yet it’s only two short blocks.

MEETINGS & EVENTS

Style and sophistication are hallmarks of meetings and events at Avalon Hotel Palm Springs. Allow our expert planning and banquet professionals to transform your meeting, conference, or corporate retreat with unique services, menus and off-premise activities that reflect our secluded and storied setting. After a productive meeting, indulge in our playground of recreational pleasures. From hiking, hot air ballooning, to spa experiences and golfing on Palm Springs’ PGA-caliber courses, there is something for everyone.

WEDDINGS

Over the years, our enchanting hotel has hosted all manner of nuptials: day and night, simple and extravagant ceremonies, eloping couples and buyout destination weddings. Avalon is more than a hotel, restaurant, or wedding venue – we are here at every step so you can be present at your own occasion. Navigating decisions, we are your trusted advisors for making any event unforgettable.

NEIGHBORHOOD

Our convenient location in the heart of the design scene downtown offers upscale conveniences and wellness activities a few blocks in any direction. Walk or bike to casual-chic dining, shopping, and cultural entertainment defining Palm Springs’ current moment. You’re also front-row for sunsets over the San Jacinto Mountains.

INGLESIDE INN

Experience twice the amenities in a single stay with shared access to our neighboring sister property, the historic Ingleside Inn—a hideaway that began as an intimate, invitation-only estate for old Hollywood’s inner circle. Avalon guests experience can enjoy Ingleside’s shaded, lounge-lined pool and hot tub; lush courtyard; and dining and live music at the legendary Melvyn’s Restaurant and Casablanca Lounge, where Frank Sinatra and the Rat Pack were once regulars and its original charm, energy, and elegance remain intact.
